

## THE CONCEPT:

The Elephant is a 4-star boutique hotel that emphasizes a blend of luxury, serenity, and traditional Cambodian culture. It is known for its spacious accommodations and eco-friendly initiatives, such as using stainless steel water bottles and refill stations to reduce plastic waste.

### Location:

Situated in a peaceful area behind Angkor High School, it remains very accessible to the city's main attractions:

- \* Art Center Night Market & Old Market: About an 8 to 10-minute walk or a short Tuk-Tuk ride
- \* Angkor Wat: Located about 7 km (15-20 minutes) from the hotel.

## WHY GUESTS CHOOSE US:

The Elephant is particularly popular with families and honeymooners for its spacious rooms and quiet environment. It is praised for its excellent cleanliness, multilingual staff, and its commitment to sustainability, making it a "sanctuary" for travelers.
