

## THE CONCEPT:

**The Forest Luxury - Private Events & Retreats** is an exclusive, nature-surrounded private property designed for group stays, private events, corporate retreats, and wellness programs.

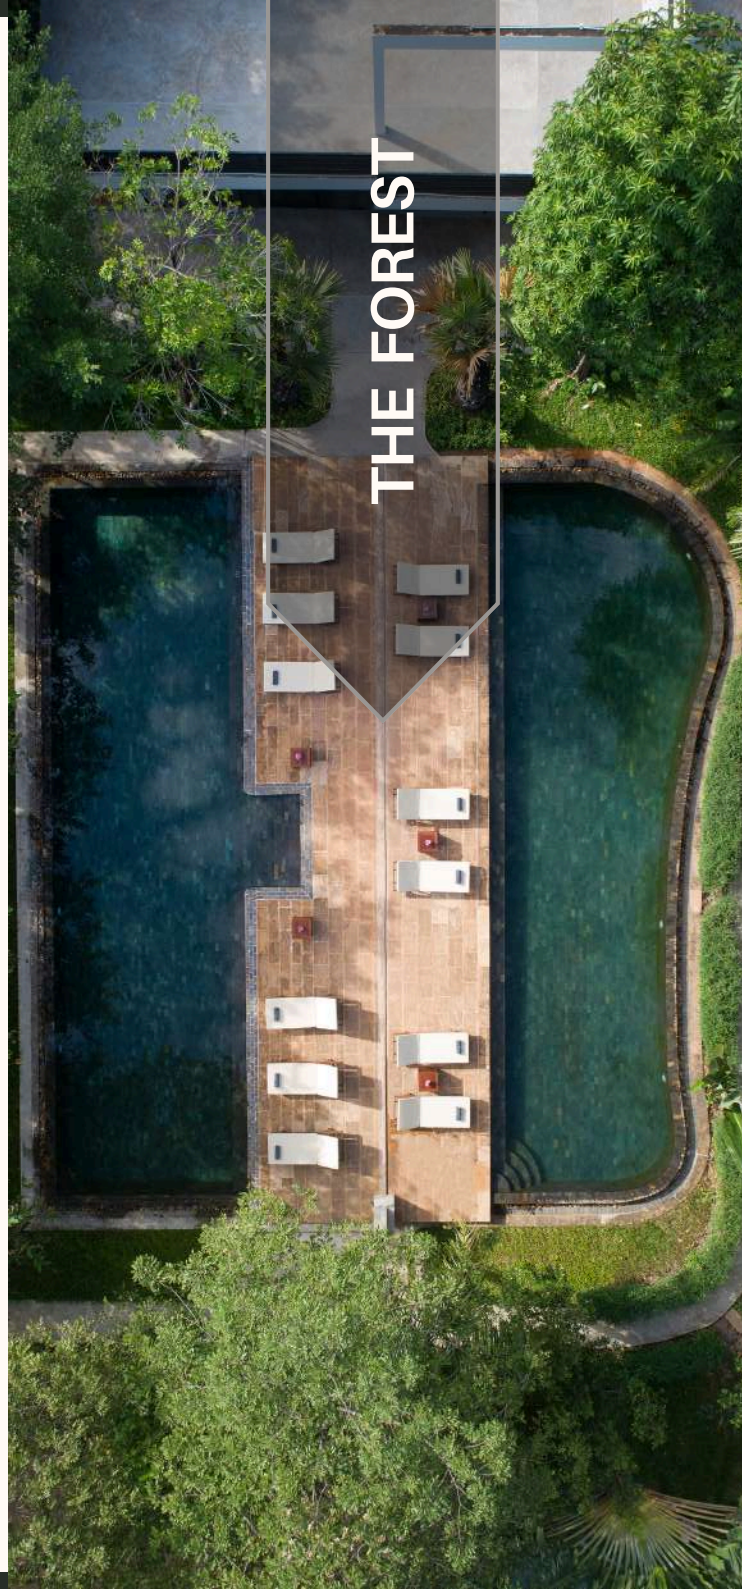

The property is offered on a private buyout basis, ensuring full privacy, comfort, and flexibility for each group.

Surrounded by greenery and peaceful forest ambiance, The Forest is ideal for guests seeking connection, relaxation, and meaningful gatherings away from the city noise—yet still conveniently accessible.

\* **Distance:** About a 5 to 7-minute Tuk-Tuk ride (approx. 1.5 km) from Pub Street and the Old Market.

\* **Environment:** Tucked away from the main roads, ensuring a silent and restful stay away from the city's hustle and bustle.

\* **Angkor Wat:** Approximately 15-20 minutes away by vehicle.

## WHY GUESTS LOVE US:

The Forest is highly recommended for nature lovers and travelers seeking a quiet, "zen" retreat. It is praised for its lush, shaded gardens, its unique tropical design, and the peaceful energy that makes it feel much further from the city center than it actually is.

All events are hosted under a private buyout, ensuring no external guests and complete exclusivity.

WHERE TRADITION MEETS NATURE

## RESTAURANT

## ACCOMMODATIONS:

The rooms are designed to be "sanctuaries" with a focus on organic aesthetics:

- \* **Design:** Minimalist and chic, featuring polished concrete floors, warm wooden furniture, and large glass windows that look out onto the lush vegetation.
- \* **Privacy:** Many rooms offer private balconies or terraces that feel like they are floating among the trees.
- \* **Amenities:** High-quality linens, powerful air conditioning, rain showers, and fast Wi-Fi are standard in all rooms.

### Facilities & Services:

- \* **Freshwater Pool:** 2 stunning central swimming pools, often shaded by the surrounding forest canopy, providing a refreshing escape from the Cambodian heat.
- \* **Dining:** An open-air restaurant serving fresh, healthy meals that blend traditional Khmer recipes with international favorites.
- \* **Wellness:** In-room or poolside traditional Khmer massages are available to help guests relax after exploring the temples.
- \* **Personalized Hospitality:** Like all StayNature properties, it is renowned for its exceptionally friendly and attentive staff who treat every guest like family.
